Take the A3 in the direction of Portsmouth/Guildford. Do not exit the A3 at Guildford, but continue around the city on the Guildford by-pass. Continue past the turn off for Farnham. You will soon see signs for Milford/Petworth/Haslemere. This exit, which you will take, is a short distance after the garage and exit for Eashing. Having left the dual carriageway, you will soon come to a roundabout. Continue straight, in the direction of Petworth/Witley. There will follow a turning to your left and another traffic circle, where you will join the A283 in the direction of Petworth/Witley.

Pass through the towns of Witley, Chiddingfold and Northchapel. When you reach Petworth, follow signs for the A272 to Midhurst. Leaving Petworth, follow signs for the A285 to Chichester. You will pass through the villages of Duncton and Upwaltham. At the top of the steep hill coming out of Upwaltham, look out for a brown sign post. It will indicate a right turn to Goodwood Racecourse and Open Air Museum. Follow this sign, and continue on for two miles until you see a small crossroads, just before a sharp curve in the road to the left. There is a sign to Goodwood House. Turn left between two lodges at this intersection. The Sculpture Estate is one mile down this road on the left.
